

# Inspirational Harvest and Hope - Brad Perks California Vineyards

## Mail In Book Order Form

Signed First Edition \$24.95

Case of 14 Books \$175

Inspirational Harvest and Hope discovers picturesque vineyards on the hidden back roads of the Napa Valley. Brad Perks has photographed a ProFotos award winning pictorial. Experience the tasteful blending of vineyards with nature that helps create a sustainable harvest. This book is dedicated to the workers in the field as valuable members of the team making world famous wines.

Perks captures the beauty, body and soul of this rich land. Explore all the seasons of life in appellations of the Napa Valley. Drink in the misty pastel colors of a winter sunrise, and enjoy the sparkling golden light of an aromatic late fall harvest. The Napa Valley vineyards are a visual feast when seen through the eyes of this artist.

This is a feel good book filled with famous quotes that will inspire you. Hear these refreshing words of hope. Learn to grow an abundant personal harvest as you find the right blends in your garden of life.
